Dear parent,

I am excited to have your child as a student in the library. You may have heard that we have a completely new library! We have ready for check out over 7,000 books spanning all reading levels and areas of interest. There are 713 eBooks that are accessible through our Libraryworld catalog. I have included the link below. In addition, the new library has 8 computer work stations and 12 laptops where we will complete projects throughout the year.

Check out policy:

Students in Kindergarten and 1st grade may check out one book at a time from the library.

Students in grades 2-5 may have 2 books checked out at a time from the library.

Please visit our website. Click on Library catalog and search for electronic books to see what we have available for reading on your personal computer. A direct link to the book content appears in the record. Databases and resources for conducting research are also available on our Libguide.

I look forward to getting to know you better! Give me a call at (502) 485-6950 if you have any questions.

Thank you,

Ms. Kirkman

School Librarian
