**Title I School**

I again want to take this opportunity to remind our school community that we are a Title 1 School. This means we get additional funding from the state/district to support education for your child. This support is given throughout the school day in various ways such as extra adult support, small group teaching, and hands-on materials so that children can have better access to learning. I have explained this information about us being a Title 1 School at Open House and I will talk briefly about it at various programs. If you have any questions about this please call our office and speak with Mr. Wheatley, Assistant Principal, Ms. Newby, School Counselor, Ms. Cosby, Family Resource Director, or myself.

Mr. Howard

**When am I too sick for school?**

Send me to school if:

1. I have a runny nose or just a little cough, but no other symptoms.
2. I haven't taken any fever reducing medicine for 24 hours, and haven't had a fever during that time.
3. I haven't thrown up or had any diarrhea for 24 hours.

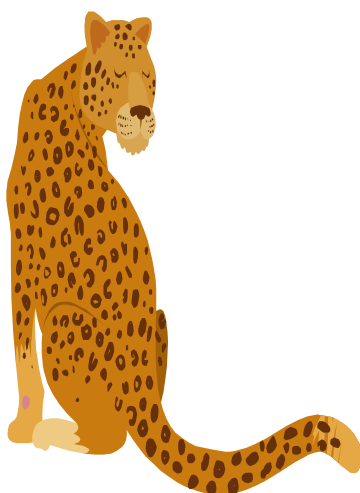

Keep me at home if:

1. I have a temperature higher than 100 degrees even after taking medicine.
2. I am throwing up or having diarrhea.
3. My eyes are pink and crusty.

Call the doctor if:

1. I have a temperature higher than 100 degrees for more than two days.
2. I've been throwing up or have diarrhea for more than two days.
3. I've had the sniffles for more than a week, and they aren't getting better.
4. I still have asthma symptoms after using my asthma medicine.  
(Call 911 if I'm still having trouble breathing after using an inhaler).

**Please remember if your child is out to call school and send in either a doctor or a parent note within three days of the student returning to school.**

**Be Safe Online**

- ▶ Keep the computer in a location that is easily monitored.
- ▶ Do not allow your child to share any personal information -- such as real name, age, email address, mailing address, and phone number -- without your endorsement.
- ▶ Encourage children to talk with you about any online communications that might be confusing or inappropriate.
- ▶ Start with an approved list of Web sites, and have your child request permission to visit others as the need arises.
