No inappropriate messages or images are to be displayed on any clothing.
Dress Code Violations
(Each violation counts as one.)

First Violation: Teacher/Staff discusses the violation with the student, and a reminder form is sent home.

Second Violation: A reminder form is sent home with the student. A parent signature is required.

Third (or more) Violation: The student will remain in the office until the parent arrives with a change of clothing. If that is not possible, the student will be loaned clothing from the school, if clothing is available.
