Our purpose for requiring summer reading and completing summer assignments is to create life-long learners who value literacy and reading. LMHS is striving to maintain the quality of our summer reading program. Achievement of our school goal to improve student literacy can happen with your assistance.

The faculty has placed considerable thought and reflection into the selection of the summer reading books. The books are available through local bookstores, libraries, used bookstores, or downloadable thru the summer reading website. The website may also give directions on ordering a particular book. The chart below lists the required book(s) that students must read. **Some books** have an assignment attached and completion of the assignment is required before returning to school. If there is an assignment, the chart below will read “See Reading Website”.

IMMUNIZATION POLICY / SOCIAL SECURITY NUMBER / BIRTH CERTIFICATE

IMMUZATIONS:
As of July 1, 2108, the state of Kentucky requires ALL students in grades Kindergarten thru 12th grade to provide proof of having received 2 doses of Hepatitis A vaccine. Since the minimum spacing between the two doses is six months, please do the following as soon as possible to ensure that your child is compliant with this new regulation prior to the beginning of the new school year.
1. Consult with your child’s healthcare provider to ensure that these vaccines have been given to your child or make an appointment to begin the vaccination series.
2. Obtain an updated Kentucky Immunization Certificate from your provider.
3. Turn a copy of a CURRENT immunization certificate to your child’s school.

Also, ALL students age 16 years or older are required to show proof of having received 2 doses of Meningococcal ACWY vaccine. To make sure your child is complaint with this please do the following:
1. Consult with your child’s healthcare provider to ensure that these vaccines have been given to your child or make an appointment for your child to receive the vaccine(s). If your child has not previously received a dose of the vaccine, and is age 16 or older, only 1 does is required.
2. Obtain an updated Kentucky Immunization Certificate from your provider.
3. Turn in a copy of a CURRENT immunization certificate to your child’s school.

The ORIGINAL certificate should be given to our Registrar, Kristie Missi, during registration or on the first day of school.

SOCIAL SECURITY/BIRTH CERTIFICATE:
All students are required to have a copy of their Social Security Card and Birth Certificate as part of their official school record. Please bring of copy of your child’s Social Security Card and Birth Certificate to registration. These will also be collected by our Registrar, Kristie Missi.

JCPS Parent Portal

The JCPS Parent Portal allows you to track your child’s academic progress and develop a partnership with your child’s teachers. It is a secure and convenient way to monitor your child’s attendance, assignments, daily grades, report cards and class schedule as well as bus and health information. If you do not currently have a Portal Account use the following steps:

- Login to the JCPS Homepage (www.jefferson.kyschools.us)
- Click the “Parents Tab”
- Click on “Parent Portal”
- Click on “Click here to log on or set up an account”
- In the 2nd section, click on “Set up your account here”
- Follow the directions. Your email must match the one that is on file at your child’s school
- Within 48 hours, you will receive a return email acknowledging the creation of your account and how to proceed.
GRAPHING CALCULATORS
A graphing calculator is required for all math courses. The calculator that we recommend is the Texas Instruments TI-84Plus. Students may already have one from middle school. We realize this is a substantial expense but feel that the graphing calculator is a valuable tool for learning mathematics.

Note: We do have a limited number of rental calculators available for the year. The rental fee is $40. Collection time/place will be announced in school. Rental agreement forms will be distributed the first day of school to be completed by the parent/guardian and must be returned before a rental calculator can be issued.

Additional supplies needed for math classes:
- Graph paper—enough for everyday use (All Math Teachers)
- Pencils—NO work accepted in pen
- (Geometry) Compass from Male bookstore—this type is not available elsewhere—approx. $3.

PARENT VOLUNTEERS NEEDED
If you would like to volunteer to work on one or more of the registration days, please email Natalie Edwards at malevolunteercoor@gmail.com. This is a great way to meet other parents and become familiar with Male and the staff.

SCHOOL SUPPLY LISTS
Students are free to choose any type of school supplies they wish. Make sure they come to school on the first day prepared with paper, pencil/pen, and folder/binder. Teachers will inform students what is required for their class on the first day of school.

Volunteering at Male

“We are so thankful for the parents at Male that have made the commitment to the traditional program. Part of that program is to foster community involvement and one of the best ways you can be a shining example of that spirit is to be a role model to your children. Please consider volunteering at Male as volunteer requests come to you through the email system. We have tried to make it as easy as possible to sign up through the use of SignUp Genius. We have plenty of opportunities in the evenings for those of you that work during the day.

We want you to be involved at Male and be a part of the Male Volunteer family. PLEASE consider all volunteer opportunities as they come through your email. If you have any questions or concerns about volunteering at Male, please contact Natalie Edwards at malevolunteercoor@gmail.com.

We want you...we need you...we welcome you!

As you begin your journey into high school please consider becoming part of one of the oldest traditions at Louisville Male by joining the Army JROTC. Since 1859 Male High School has conducted military type training and in March 1919 we were officially recognized by the Department of the Army as a JROTC. Male High is the oldest and one of the largest JROTC programs in the state. If you are looking to develop self-confidence, communication and leadership skills, team work or you just want to challenge yourself then look no further.

What we offer:

- Freshmen students taking JROTC will receive PE credit along with credit for an elective course.
  - The benefit is the student is one credit ahead of their peers. It allows them to take an extra elective class during their freshman year while developing a sense of belonging to a community.
- Students who participate in JROTC are under no obligation for military service after high school.
- Students who complete three years of JROTC can earn advanced rank promotion if they do decide to join a military service after high school. Students who complete the minimum three years earn $200 to $300 per month over a student who did not take JROTC.
- Assists in competition for a college level senior ROTC Scholarship worth over $25,000 a year. These scholarships pay for tuition as well as an additional allowance for books and fees. Once contracted as a Cadet they receive a living stipend of $420.00 per month during the school year.
- Assists in competitive appointments to one of the military academies such as West Point, Naval Academy and Air Force Academy.

- We offer extracurricular activities with the Raider Team (adventure training), Rifle Team (marksman) and the Drill Team / Color Guard. Each of the teams compete throughout various times of the year against other JROTC teams throughout the area. In addition the Color Guard performs throughout the city to support various veteran organizations, local and state government, school events as well as University of Louisville football and basketball games. We are currently in the process of forming a Robotics Team this year that will also compete in statewide competitions.

- Visualize/Memorize

Why Should I Come?
✓ Reduce study time
✓ Develop greater self-confidence
✓ Raise your grades

Study Skills
You will learn the most effective ways to listen, take notes, memorize facts, and study for exams. Also, you will identify your preferred learning style and set your personal goals and priorities. Keeping your planner, managing your time, and enhancing your executive skills with technology resources are essential to school success.

You will meet your new classmates, learn how to communicate effectively, and polish your classroom etiquette.
With these new academic skills, you will have less school stress, develop greater self-confidence, and raise your grades. Prepare for the challenges of Male’s curriculum!

Speed Reading & Comprehension
Reading is the foundation for learning. Discover how you can read faster and understand more!
Learn to visualize as you read. Learn to remember more of what you have read. Stop reading word-by-word and mumbling words to yourself.
You can double or triple your reading speed! You can increase your understanding of textbooks and pleasure books.
With your improved reading skills, your grades will go up! Homework will require less time.
