Panther History **Since 1958**

Pleasure Ridge Park High School emerged as one of the 28 new Jefferson County Schools built between 1952 and 1958. Over the course of its illustrious history, PRP has cultivated its own unique standard of excellence. What was once just a building of concrete, brick, and glass developed into a sanctuary for the memories that thousands of students would take with them.

The groundwork for this proud Panther tradition was laid when the three-story building was first opened for classes on September 3, 1958. Leading PRP as principal was Mr. John H. Pollock. During the school's early years, students in the seventh, eighth, and ninth grades attended PRP with a grade added each year until 1962, the year of the first graduating class. The Advance Program curriculum for academically eligible students made its debut during this time, with the first Advance Program classes appearing on schedules in 1959.

In 1964, Mr. Pollock stepped down from his position as principal. Mr. Bobby Green took the helm of the growing school, whose student body was so large that double sessions were required for three years. The year 1966 marked the addition of four portable classrooms. This also signaled the end of double sessions. During Mr. Green's administration, the football team played the first annual Snow Bowl, the game against the rival Valley High School. Happily, the event ended in a 33-6 victory for the Red and Black.

Mr. Claude Purvis was named PRP's principal in 1973, and it was during his reign that the Jefferson County School System experienced a landmark change...desegregation. In his final year, Mr. Purvis was temporarily transferred to the Board of Education to help with the 1977 JCTA strike negotiations. In his absence, Mr. Oliver Williams became acting principal. At this time, the newly formed soccer team was setting its roots; and the football team was experiencing a rebirth, claiming its first district title in 12 years. PRP's academic teams also excelled as the 1977-78 year marked the first in a series of State Championships for the High-Q Team.

Neither Mr. Purvis nor Mr. Williams returned as principal in 1978-79, so the reins were handed to a man who had formerly coached football at PRP and more recently had served as assistant principal at Doss High School, Mr. Charles W. Miller. During his first year, Mr. Miller proved himself a devoted Panther as he waged a successful and spirited campaign to keep the school open when the Board of Education threatened its closure. Due to his efforts and determination, the tradition of Pleasure Ridge Park was preserved and future generations were assured the opportunity of attending PRP. Providing unparalleled leadership

throughout his tenure, Mr. Miller, the only three-time State Principal of the Year in Kentucky, placed emphasis not only on maintaining strong academics but also fostering a family atmosphere in which everyone felt welcome. Under the watchful eye and caring guidance of Mr. Miller, PRP grew to become an educational magnet, attracting hundreds of applicants each year.

President John F. Kennedy once said, "Change is the law of life. And those who look only to the past or present are certain to miss the future." The 2003-2004 school year ushered in the future of Pleasure Ridge Park High School with a change in leadership. Principal David Johnson guided students and faculty toward success in academic and athletic pursuits. With National Merit Semi-Finalists and Finalists, Governor's Scholars, several valedictorians, and hundreds of honor roll students, Pleasure Ridge Park will continue to serve as an institution of academic excellence for the South end of Louisville. Students, faculty, and staff will continue to demonstrate this commitment to academic achievement while maintaining the long established tradition of excellence under the leadership of Kimberly Salyer, current Principal of Pleasure Ridge Park High School.

CLASS OFFICERS

Class officers are elected as a slate; students on the class officer slate must have a 2.5 GPA and be passing all classes. Class officer slates are elected by members of their class. GENERAL INFORMATION

GUIDANCE PROGRAM

Guidance services are available for every student in school. **Students wishing to visit a counselor should come to their assigned Academy office with teacher permission, before or after school, or during their lunch period.** These services include: assistance with scheduling, career information, college and scholarship information, help with social concerns and problems, or any question students feel they would like to discuss with the counselor. Students are assured that all concerns will be treated in confidence and with respect.

COMMUNICATION WITH STAFF

PRP High School encourages parents to communicate with their child's teachers. For a parent to schedule an appointment with a teacher, please email the teacher or call the School Office (485-8311). Requests will be forwarded to the teacher for a return call to set up the appointment. Staff e-mail addresses are available in the front office, on the school website or via Infinite Campus Portal. Student enrollment forms are filed in the students records office. Teachers use these forms when contacting the home. Should information regarding your home phone number or address change during the year, contact the School Office (485-8311) so this information can be updated. The Superintendent is authorized to release JCPS Board approved directory information including student names upon receiving a written request. Any eligible student, parent, or guardian who does not wish to have directory information released shall notify the principal in writing.

IMMUNIZATIONS

All students attending Jefferson County Public Schools (JCPS) must be immunized against polio, diphtheria, tetanus, measles and rubella. Students are required by Kentucky State Law to have an original immunization certificate on file in the counseling office on or before the 10th day of the school year. Failure to comply may result in the student's withdrawal from school until the requirement is met.

MEDICAL PROCEDURES - MEDICATIONS

Students who become ill during the school day should proceed to the counseling office or Tech Building Office depending on which part of the campus they have class. They should report after a phone call from the teacher or with a hall pass. Parents will be notified and asked to come for students who are too ill to remain at school. Students who sign out due to illness must have administrative approval to return to school the same day for athletic and extracurricular activities.

Students must provide an emergency phone number other than a parent's number. This number must be on the registration form and sign out card. Parent contact will be attempted before students are released to the emergency contact. If legal guardian or emergency contact cannot be located, the student cannot be sent home. Depending on the nature of the medical need, EMS may be called.

Students with special medical conditions must fill out an emergency medical form from the counseling office. If a student needs to take medications during the school day, a completed "Authorization to Give Medication" form must be on file in the Records office. The medication must be delivered to school with complete instructions, in its original container, with the prescription label fully attached and must be stored in the guidance office. It is the responsibility of the student to come to the Guidance Office at the prescribed time. For the safety of all students, students may not, at any time or for any reason, carry prescription or over-the-counter medications while in school. Violation of this very important rule may result in disciplinary action.

****Students needing an elevator key assigned to them must present a doctor's note before a key will be issued.**

SCHOOL CANCELLATION

In the event that school is not in session or delayed due to an emergency or bad weather, radio and TV stations will broadcast the information. For further information, access the JCPS website (www.jefferson.kyschools.us) or call the Public Information Office at 485-3357.

LIBRARY

The library is available from 7:15 - 7:35 a.m. and after school from 2:20 - 3:00 p.m. Students must have a pass from the teacher to use the library during class time. Students wanting to use the library during lunch should report directly to the library. Students should sign in upon arrival in the library.

TEXTBOOKS

High School textbooks are furnished by the Jefferson County Public Schools at no cost to the students. Students are responsible for the cost of lost, stolen or damaged books.

STUDENT FEES

****Refer to JCPS Policy regarding school fees.**

Students are prohibited from sharing lockers and are responsible for the locker's contents. Lockers shall not be used to store items which are forbidden by state or federal laws and are subject to search by the administration at any time. I.D. cards are to be carried at all times. Replacement of your I.D. card will be \$7.00 and \$5.00 for your Student Handbook/Agenda. I.D. replacements are available in the first floor computer lab as scheduled by the supervisor.

FEE WAIVER APPLICATION

In accordance with the Kentucky Education Reform Act, the Jefferson County Public Schools provide the following notice. Students who qualify for free or reduced price lunches are eligible for and may request a waiver for required instructional fees. Applications are available in the front office.

BOOKSTORE

Students may purchase Panther apparel, gear and school supplies. Bookstore operational hours are TBA.

LUNCH

No one is allowed to leave school grounds during lunch.

PRP provides a full service cafeteria for students' breakfast and lunch. PRP has been designated as a school able to provide FREE breakfast and lunch to ALL students. Students are responsible for their own clean-up. Application for free or reduced lunches will be processed during the first week of school. No food can be taken from the cafeteria. The Lunchroom is the only DESIGNATED AREA for lunch. The Main Lobby and lunch room hallways will remain clear for safety reasons.

There will be no food orders brought into the school without prior approval by the administration. This activity is in direct violation of the JCPS Federal Lunch Program Regulations. We cannot guarantee that food is kept at safe temperature or that food is kept in a germ free environment. **Pleasure Ridge Park High School will not deliver food or drink to students.**

TELEPHONES & PHONE CALLS

Students needing to make emergency phone calls during the school day will go to the counseling office or their Academy Principal. **Students are not allowed to use classroom phones or personal cell phones during the school day.**

DELIVERIES

We strongly discourage deliveries for students (flowers, balloons, and other celebratory items) at school. **There will be no food orders brought into the school or delivered on school grounds before 12:30 pm without prior approval by the administration. This activity is in direct violation of the JCPS Federal Lunch Program Regulations.** We realize that it is necessary to bring items to school that your child has forgotten. But hopefully this will only be in emergency situations. **No students will be called from class.** Our student's education is a shared responsibility between Parents and PRP staff, and it is important that together we limit interruptions to the school day.

SCHOOL BUS TRANSPORTATION

When students arrive at school by bus, car, or walking they must immediately enter the school building. Once students have arrived on campus they are not allowed to leave the premises, EVEN before 7:39 AM. If a student leaves campus before entering the school, then this is considered a cut, and that student is subject to additional disciplinary measures.

Students who are transported by school bus must obey the rules and regulations set forth in the procedures approved by the Jefferson County Public Schools. These rules and regulations will be provided by the bus driver to each bus rider at the beginning of the school year. Failure to follow rules and regulations on the bus may result in a student being suspended from riding the bus and/or additional disciplinary measures from the school. In order to ride a school bus other than the student's assigned bus, a student must bring a note to school from the parent with a phone number where the parent can be reached. The note must be brought to the Main Office before **9:00 AM** so the parent can be called. The note must be verified by the office personnel and signed by the appropriate administrator. **The note must then be presented to the bus driver when the student boards the bus. If a parent cannot be reached, the student cannot ride a different bus.** Students who do not have a note and try to board or ride another bus without permission are subject to additional disciplinary measures.

PARKING & PARKING PERMITS

All cars must be in marked parking spaces. Parking lot security is not provided by the school; students park at their own risk. Speeding, reckless driving or parking in unauthorized areas is not permitted. **The speed limit on campus is not to exceed 5 mph.** Traffic violations may result in the loss of parking privileges and/or other disciplinary action. Student automobiles on school property are subject to searches. Students driving vehicles are not to interrupt arrival and departure of school buses.

All students parking their automobiles in the school parking lot will be required to purchase and display a PRP Parking Permit. The permit will be registered by name and number and is to be displayed from the rear view mirror. The permit may be purchased during registration at a cost of \$5.00. If lost, a replacement fee of \$7.00 will be assessed. Seniors may purchase a RESERVED SPACE at the cost of \$40. Failure to display the permit may result in loss of parking privileges or other restrictions. Cars without visible parking permits are subject to being towed at the owner's expense.

NO PASS / NO DRIVE (NPND)

Students must remain compliant with Kentucky Revised Statutes (KRS 159.051) regulating 16- and 17-year-old rights to obtain and retain a driver's license. The NPND law states underage students must be passing 2/3 of classes and have no more than 9 unexcused absences. NPND verification forms are available in the front office. For more information on NPND, you may call 1-502-564-4772.

III. Student/ Parent Responsibility

On the day following an absence, each student is required to bring a note from his or her parent/ guardian or respective office. Only 10 days of school due to illness will be excused with a parent note. After 10 days of parent notes excusing absences per school year, only a valid/official note from a respective office will be accepted. **If this note is not presented within THREE (3) school days, the absence will remain unexcused and missed class work will not be given.**

This note should be presented to the student's first period teacher. Students are to request their missed class work upon return and are allowed one day plus the number of days missed to complete and return assignments. If a parent/ guardian choose to notify the school the morning of their child's absence, the student's name will be removed from the automated call home list. However, a note is still required.

When students arrive at school by bus, TARC, car, or walking they must immediately enter the school building. Once students have arrived on campus they are not allowed to leave the premises, even before 7:39 AM. If a student leaves campus before entering the school, then this is considered a cut, and that student is subject to additional disciplinary measures.

IV. School Staff Responsibility

- Automated calling system will be utilized to notify a parent/ guardian of student absences. It is the responsibility of the parent/guardian to notify the school of current working phone numbers.
- Upon the 3rd unexcused absence, a Notification of Truancy will be mailed home.
- Upon the 6th unexcused absence, a second Notification of Truancy will be mailed home. In addition, if a student is under 18 years of age, the student's name will be turned in to the Assistant Director of Pupil Personnel (TRUANCY OFFICER) and a referral will be made to the Family Resource and Youth Service Center.
- School staff will generate a list of students who have accumulated 7 or more unexcused absences so that student participation in extracurricular activities, dances, Ring Dance and Prom will be prohibited.

- Upon the 9th and 12th unexcused absence, a third and fourth Notification of Truancy will be mailed home and further action will be taken by the truancy officer if the student is under 18 years of age.
- Conferences may be held with parent and/or student as deemed necessary throughout the school year by various school staff.

V. Under 18 Years of Age

As outlined in Attendance Procedures, Section III, students under the age of 18 will be referred to a truancy officer upon his/her 6th unexcused absence. Parents and their truant student(s) face the possibility of court action including fines and penalties.

VI. School Activities which includes participation in dances, homecoming activities, Junior Ring Dance and Senior Prom.

Any student who accumulates more than 6 unexcused absences throughout a school year will not be allowed to attend school dances, Homecoming activities, Junior Ring Dance or Senior Prom. A list of truant students with more than 6 unexcused absences will be cross referenced with those students purchasing tickets. **ALL STUDENT FEES MUST BE PAID** along with any other **OUTSTANDING DEBTS**, including but not limited to extra-curricular/athletic items/gear/uniforms, lost/damaged textbooks, etc.

Unexcused Absences are defined as:

1. "Cuts": This is an unexcused absence that will remain unexcused. An accumulation of 7 periods of cuts will equal one day of unexcused absence.
2. When a student is tardy to school including signing out of school early **WITHOUT** a note will be counted as unexcused. 3 tardies = 1 unexcused absence, per the JCPS handbook. This pertains to tardies to school and early dismissals.)
3. On the day following an absence, each student is required to bring a note from his or her parent/ guardian or respective office. Only 10 days of school due to illness will be excused with a parent note. After 10 days of parent notes excusing absences per school year, only a valid/official note from a respective office will be accepted. **If this note is not presented within three (3) school days, the absence will remain unexcused.** This note should be presented to the student's first period teacher.

VII. Extra-Curricular Penalties

Any student member of an extra-curricular group and/or athletic team who accumulates 6 or less unexcused absences will be subject to further penalties at the discretion of the administration and coaches.

VIII. Student Withdrawal

Students 18 years old may be withdrawn as a dropout after several documented attempts of school personnel to contact the parent/guardian and a registered notification letter has been mailed to the parent with no response after the seven

day deadline. Students with valid medical problems will be referred for home hospital services.

IX. Summary of Student Attendance Protocol

When a student is absent from school, the following should occur:

- Attempted call from the automated system to contact the parent/guardian about student's absence.
- Upon student's return to school, a doctor's statement or note from a parent/guardian will be collected by 1st period teachers and turned in to the attendance clerk. A valid/official note is required after the 10th day of used parent notes due to illness.
- Chronic illnesses should be reported to their counselor. The counselor will then follow up with all decisions that need to be made regarding the student's options.

Student Information/Sign-Out Card

This card must be completed and signed by a parent, driver's license required. If we do not have the parent/legal guardian's signature on file, only the parent/legal guardian can sign out their child. This is a one-time requirement for the school year and authorizes anyone you list on the card to pick up your child from school for that school year without us contacting you.

Early Dismissal Procedure

All students will sign out in the Tech building with the Attendance Clerk. Parents that need their child to leave school on their own must write a parent note with a working phone number. The Student is responsible for handing in the note to the clerk in the Tech Building for verification. If the clerk is unable to verify the note with the given number, the student will **NOT** be permitted to sign out. **ALL NOTES MUST BE VERIFIED** and handed into the TECH office before 9:00am for verification. Notes must include the following:

1. Student's name and grade
2. The date and time to be excused
3. Reason for leaving school
4. Parent/Legal Guardian signature
5. Phone number where parent/legal guardian can be reached

Students returning from an early dismissal must sign back in at the office where they signed out. Only early dismissals that are for doctor appointments, court appearances, death or serious illness in the family or religious observance will be excused. If a note is not brought in, a parent **must** come to the TECH office to sign out the student. Any request to leave campus while school is in session not documented by a parent note must be approved by a school administrator.

Students must leave the building within ten minutes of signing out.

Early dismissal notes will not be accepted the day before a holiday or other school specified event. If it is necessary for a student to be signed out on a day prior to a holiday/event, a parent/legal guardian **must physically enter the building to sign** the student out of school. An early dismissal will count as a tardy or 1/2 day according to the time of the dismissal.

****No calls will be accepted. Any additions or deletions to the list must be made by parent/legal guardian with a valid driver's license in person. All other decisions regarding unique circumstances will be made by Administration.**

COLLEGE VISITS & EDUCATIONAL ENHANCEMENT OPPORTUNITIES (EEO)

Seniors are permitted to have one excused absence to make college visits. Students should pick up a college visitation permission form from the appropriate counselor, complete the form and return it to the counselor at least one week prior to the visit for the visit to be excused. If the student fails to follow this procedure, the absence will be unexcused. Students requesting Educational Enhancement Opportunities (EEO) must submit a written request and be approved by the principal at least one week prior to the requested absence. An EEO will only be approved for experiences that significantly contribute to Kentucky core content.

NON-CUSTODIAL PARENT
