Dear Ballard Alumni:

No matter the generation, high school was the place where memories were made and friendships were forged. It’s hard to believe it’s been fifty years since Ballard High School first opened its doors. During this jubilee year, the Ballard Alumni Association wants to reacquaint former students and their families with today’s Ballard. We believe that building an active alumni association is an essential step in providing current and future students with the opportunity to pursue their passions.

As in the past, Ballard continues to excel in academics, athletics, and the arts as evidenced by the number of National Merit Semi-finalists, Governor’s Scholars, Silver and Gold Key Scholastic winners along with district and regional championships. Moving forward our goal is to not only increase the academic, athletic, and artistic performance of our students, but also to improve the facilities they need and use daily.

Many of these facilities have gone largely unchanged since your time as a Bruin. This year we begin the “Fifty for Fifty” campaign to revitalize key campus facilities our students use to pursue their passions and areas of interest. During this 50th year of Ballard’s opening, our hope and goal is to raise $50,000 toward providing our students access to facilities that rival others throughout the city as well as the state of Kentucky.

To this end, we ask for your support and commitment to Ballard High School by becoming an active member in the Ballard Alumni Association. By completing the enclosed form, you will be entered into the alumni database, through which you will receive e-news periodically about Ballard student and alumni awards, accolades, and events such as the 50th Anniversary and Hall of Fame Celebration to be held October 12-13, 2018. Furthermore, we ask that you consider making a financial gift toward our goal of revitalizing our athletic and art facilities. Your gift goes directly toward facility upgrades and is tax deductible.

As we have always said, “Once a Bruin always a Bruin!” Please, join the Ballard Alumni Association today to reconnect with the past and help future Ballard students achieve their dreams.

Thank you for your support and for news, upcoming events, and further information please visit our homepage, Facebook, and Twitter.

Sincerely,

Ballard Alumni Association
