

May 20, 2020

Dear Kammerer Families:

First of all, thank you for your continued support during our NTI days and keeping your children healthy at home. This has truly been an experience that none of us will forget! We have developed a schedule that I will outline below in order that you may pick up student belongings from their locker, drop off or pick up instruments, drop off/donate any uniforms, turn in library books, and/or technology related items. If you have a district issued chromebook you have the option of returning it to the school or utilizing it for summer learning.

We ask that you use the carpool line only, you will remain in your car and if there were any items left in your child's locker they will be brought to your car. Many student lockers were already empty. However, those lockers with items left in them have been bagged and labeled by team and student name. If you have more than one student enrolled you will be able to get both items on this day. No parent or student is allowed into the building and we ask for your continued patience as we will personally deliver the items to your car. As a reminder, if your child accompanies you they will not be able to get out of the car to visit fellow classmates as we are still following social distancing guidelines.

Team Day and Times are listed below:

Tuesday, May 26, 2020

9:00 – 9:45 Koala Team

9:45 – 10:30 Panda Team

10:30 -11:15 Teddy Team
