## Frayser at a Glance

### Daily Schedule

8:30 a.m. . . . . School office opens.  
9:10 a.m. . . . . Doors open to students.  
9:10–9:40 a.m. . . . Breakfast (free of charge for all)  
9:40 a.m.–4:20 p.m. . . . . Instruction  
4:20 p.m. . . . . Dismissal  
5 p.m. . . . . School office closes.

### Transportation

#### Morning Drop-Off:

- Buses unload on Larchmont at the front door.
- Walkers also enter through front door.
- **Car riders MUST unload at Exit 9 in back parking lot off of Homeview Drive.**
- **Car drop-off is NOT ALLOWED on Larchmont for safety reasons.**

#### Afternoon Dismissal:

- Transportation changes **must** be made by 3:55 p.m.
- Buses depart on Utah Ave.
- Walkers dismiss out of Gym (Exit 15).
- **If being picked up by a motor vehicle, students must be picked up at Exit 9 (rear parking lot) for safety reasons.**
- **Car pickup is NOT ALLOWED on Larchmont for safety reasons.**

---

## What Parents Can Do to Help Their Child

- Start each day right; a calm beginning at home makes the school day much better.
- Encourage your child to eat a good breakfast and lunch. **Make certain that your child sleeps at least 10 to 12 hours each night.**
- Praise your child each day for something they have done. Have a special place to display your child’s schoolwork or whatever they bring home.
- Laugh and talk with your child about their school experiences, and listen attentively to what is said about your child’s school day.
- Stress attendance. If a child is ill, home is the best place for them; otherwise, your child needs to take advantage of every school day.
- Keep the lines of communication open between yourself and your child’s teacher. Inform the teacher of any family situation that may influence your child’s behavior. Also, if your child is reluctant to go to school, let the teacher know so that together you can determine the reason.
- Take your child to the library, and encourage reading for pleasure.
- Stress organization of school notebooks, materials, etc.
- Provide pencils, glue, scissors, paper, etc., for your child to use.
- Work at home to reinforce skills taught at school.

*Nannie Lee Frayser Elementary School*

1230 Larchmont Avenue  
Louisville, Kentucky 40215  
(502) 485-8255  
Fax: (502) 313-3461

Dear Frayser Families:

Welcome to Frayser Elementary School! We are so excited to have you and your child in the Frayser Family.

Each year, the handbook is revised and contains important information regarding school policies and procedures. Please take time to review the contents with your child. If you have questions after reviewing the handbook, call the school office at **485-8255**. Parents are important partners in educating their children. This handbook provides information to support you in working with us to educate your child. Please complete the Compliance Form at the end of this handbook, and return it to your child's teacher.

We welcome and encourage your participation and support during the school year. The Parent Teacher Association (PTA) is another important connection in educating our students. We need your support through your PTA membership. Working together, we will reach our goals. We need parent participation on our Advisory Leadership Team (ALT). If you are interested in serving on our ALT, please call me at **485-8255**.

We look forward to a successful school year and working with you to celebrate our students' accomplishments.

Sincerely,

*Ms. Sarah Carmichael-Miller*

Frayser Families,

We are going into our fifth year of implementing The Leader In Me (TLIM) curriculum. During this school year, we are hoping to achieve Lighthouse status. We will need your help and support to get there!

So, what is TLIM and how can you support your child at home? TLIM is a whole school transformation process. It teaches twenty-first-century leadership and life skills to students and creates a culture of student empowerment based on the idea that **every child can be a leader**. Through an engaging curriculum and resources, TLIM teaches students, staff, and families about the 7 Habits of Highly Effective People, based on the popular text written by Dr. Stephen Covey. The 7 Habits follow this letter. One way you can support your child at home is by asking about the habits and what they are learning about them at school. You could also hang the habits on your refrigerator or in another place where your child can see them to help remind them to work on living the habits at school and home.

As we go throughout this year and the years to follow, we will also provide you with information about how to continue to support your child and our school in this process. You can also get more information about TLIM at the website—**[theleaderinme.org](http://theleaderinme.org)**.

As always, I appreciate your support of your child and of our school. We can't wait to see you at your child's conference!

Sincerely,

Ms. Sarah Carmichael-Miller  
Proud Principal, Frayser Elementary School

# The Leader in Me™

great happens here

**Habit 1: Be Proactive:** I am a responsible person. I take Initiative. I choose my actions, attitudes, and moods. I do not blame others for my mistakes. I can only be offended if I choose to be.

**Habit 2: Begin with the End in Mind:** I plan ahead and set goals, I do things that have meaning and make a difference. I am an important part of my classroom and contribute to my school's mission and vision, and look for ways to be a good citizen.

**Habit 3: Put First Things First:** I spend my time on things that are most important. This means I say no to things I know I should not do. I set priorities, make a schedule, and follow my plan. I am disciplined and organized.

**Habit 4: Think Win-Win:** I balance courage for getting what I want with consideration for what others want. I make deposits in others' Emotional Bank Accounts. When conflicts arise, I look for options that work for both sides.

**Habit 5: Seek First to Understand, Then to Be Understood:** I listen to other people's ideas and feelings. I try to see things from their viewpoints. I listen to others without interrupting. I am confident in voicing my ideas. I look people in the eyes when talking.

**Habit 6: Synergize:** I value other people's strengths and learn from them. I get along well with others, even people who are different than me. I work well in groups. I seek out other people's ideas to solve problems because I know that by teaming with others we can create better solutions than any one of us alone. I am humble.

**Habit 7: Sharpen the Saw:** I take care of my body by eating right, exercising, and getting sleep. I spend time with my family and friends. I learn in lots of ways and lots of places, not just at school. I take time to find meaningful ways to help others.

**Habit 8: Find Your Voice:** I have found something that I am good at and really like doing. I am proud but do not boast. Instead, I use my expertise to help and inspire others.

**Mission:** The Frayser Elementary School family is committed to developing the whole child, empowering our leaders to find their genius, and ensuring high academic achievement and growth for all.

**Vision:** All Frayser students will transition ready to lead academically and socially as global citizens.

- After-School Programs
- Social-Emotional Programs
- Health Services
- Kindergarten and Middle School Transition Events
- New and Expectant Parent Events
- Home Visits

- Clothing Assistance
- Service Referrals
- Conflict Resolution
- Blessings in a Backpack
- Academic Support

## Enrollment Requirements

- **Proof of Date of Birth**—State law requires that any student entering a Jefferson County public school for the first time, regardless of grade, must furnish the school office with an original birth certificate. The birth certificate is returned to you.
- **Verification of Address**—Parents must provide verification of their current address (utility bill, lease, rental agreement, etc.) upon registration or if their address changes during the school year.
- **Immunization Certificate**—All students entering a Jefferson County public school for the first time must produce an up-to-date, original Immunization Certificate upon initial enrollment. A notice is sent home when a student’s certificate expires and needs to be updated.
- **Social Security Number**
- **Eye Examination**—This is required for students between the ages of three and six who have never attended a public school.
- **Dental Examination**—Kentucky law, KRS 156.160(i), requires proof of a dental screening or examination by a dentist, dental hygienist, physician, registered nurse, advanced registered nurse practitioner, or physician assistant. This evidence shall be presented to the school no later than **January 1** of the first year that a 5- or 6-year-old is enrolled in public school.

- **Physical Examination Form**—New students or students transferring into the Jefferson County Public Schools (JCPS) need to show proof of having a physical examination within six months prior to or one month following their initial enrollment.
- **Copy of Records Requested for Transfer Students**—This document should indicate the enrollment date and should show the parent's/guardian's signature.

## Change in Student Information

It is imperative that the school office be notified immediately of a change of address; a change of home, office, or cellular telephone number; or a change in emergency information during the academic school year.

## General School Schedule

8:30 a.m. . . . .	School office opens.
9:10 a.m. . . . .	Doors open to students.
9:40 a.m.–4:20 p.m. . . . .	Instruction
5 p.m. . . . .	School office closes.

## Arrival and Dismissal

Doors open/student supervision begins at 9:10 a.m.  
School starts at 9:40 a.m. School ends at 4:20 p.m.

- **Bus Riders**—All students transported by a JCPS bus are dropped off at the front of the school on Larchmont Avenue and picked up in the rear of the building on the Utah Avenue side at Exit 13.
- **Daycare**—All daycare vans will use the same procedures as car riders.
- **Car Riders**—A car rider is any student who is transported to or from school by a motor vehicle. The car rider drop-off and pick-up area is at the rear of the building, which is accessible from Homeview Avenue. All car riders should be dropped off in the morning at Exit 9 (back parking lot). This same exit is used for car riders in the afternoon.

Students should be ready to exit the vehicle when it

enters the car rider line. Please do not pull out and go around other cars.

Students will receive a car rider number at orientation or on the first day of school. This number must be prominently displayed in the car in order for the student to be released to ride home. In order for the traffic pattern to run smoothly and quickly, please use these numbers throughout the year. During the first week of school, you will experience some delays as everyone becomes familiar with the system. Please be patient, and traffic will start moving faster. **Car riders must be picked up no later than 4:20 p.m.**

- **Walkers**—A walker is any student who lives close enough to walk to/from school on foot, without the use of a motor vehicle. All walkers will enter the building in the mornings through the front, main entrance (Exit 1). In the afternoons, walkers are released from the gym (Exit 15). It is the parents' responsibility to be on time when the students are released. All kindergarten students must be met by an adult.

If for any reason a walker will be dropped off or picked up by a motor vehicle, please use Exit 9 in the rear of the building. A change of afternoon transportation **must** be completed by 3:55 p.m.

**Under no circumstances should there be cars parked on Larchmont or Utah Avenues, in front of the building, or beside the building to drop off or pick-up students. This presents an unsafe situation.**

## Attendance

The Jefferson County Board of Education (JCBE) believes that regular school attendance, in conjunction with studying and participating in school activities, is essential to the learning process. Once a student arrives at school, they are expected to remain at school and to attend each class throughout the day. The following information is helpful if your child is absent or tardy.

## Absences

The school should be notified when a student is to be absent. The student should bring a note to the teacher from their parent/guardian or doctor for health-related visits when they return to school. Regularly scheduled visits to a doctor or dentist should be scheduled during nonschool hours. Any student who has been absent from school without a valid excuse for more than three days is considered truant. The Attendance Committee meets weekly to review all absences and tardies. The Attendance Committee consists of local school personnel and the school social worker, who addresses truancy from the JCPS Pupil Personnel Office.

Please notify the school of any contagious diseases that your child has so that proper precautionary measures can be taken. Students must be free from fever, diarrhea, and/or vomiting for 24 hours before they return to school.

## Tardies

According to JCPS guidelines, any student not in class by 9:40 a.m. is tardy. Students arriving after the start of the school day should be escorted to the office by their parent/guardian and signed in. The student receives a Tardy Slip to give to their teacher before being admitted to class. Students are permitted in the classrooms at 9:30 a.m. They should be in their classroom, ready to begin the instructional day, at 9:40 a.m. A student is counted as tardy no matter what part of the instructional day they miss; tardy students are those who miss any part of the instructional day, not just students who arrive late to school. Excessive tardies are addressed through the Attendance Committee.

## Breakfast and Lunch

All Frayser Elementary students will receive breakfast and lunch free of charge. Breakfast is from 9:10 to 9:40 a.m.

## Birthdays/Celebrations

Class treats are welcome; however, they need to be store-bought and packaged individually. Birthday treats must be shared, and distributing and eating them should not interrupt the instructional day.

Please schedule the delivery of class treats with teachers at least 24 hours in advance.

## Conferences: Student-Led

On JCPS-determined Parent-Teacher Conference Days (**October 2** and **February 19**), your child(ren) will lead the conference by speaking to both their celebrations and areas of growth. We hope your family is able to join these special days!

Parent-teacher communication is vital to student success. We welcome your requests for conferences; teachers may need to schedule conferences throughout the school year as needed. Please schedule all conferences by calling the office at **485-8255**. JCPS districtwide Parent-Teacher Conference Days are held each year. Please try to attend these scheduled conference days. Notification to schedule a time for these days is sent home prior to the scheduled dates. Information concerning specific dates will be sent home at a later time.

Teachers begin supervising students at 9:30 a.m. Be aware that teachers may not be available to conference with you in the morning, but if you leave a message with the office staff, we will be glad to deliver it to the teacher.

## Discipline

Each staff member at Frayser Elementary accepts responsibility for maintaining discipline and promoting wholesome human relations. A student's behavior should conform to acceptable standards of conduct as established by the principal, the teacher, and JCPS.

The staff members request parent support in helping maintain appropriate conduct in school by reviewing the ROAR Expectations. Student behavior should reflect self-respect and consideration for the rights, feelings, and property of others.

Please reference the JCPS *Student Support and Behavior Intervention Handbook*, which is also sent home.

## Dress Code (Student School-Wear Policy)

### Allowable Dress

- Students must wear clothing that includes both a shirt with pants, shorts, or skirt, or the equivalent, and shoes.
- Clothing must cover the torso from collarbone, including shoulders, to knees with solid fabric (no tank tops/sleeveless shirts or see-through fabrics) and contain no derogatory wording or pictures.
- Shorts should cover to just above the knee.
- Clothing must cover undergarments.
- Hoods must be kept down inside the building in order to facilitate the safety and identification of students. Hats may only be worn during special school events as stated by the staff.
- Clothing must be suitable for all scheduled classroom activities, including physical activities (e.g., wellness time). Shoes must cover the toes and have a strap on the back.

### Non-Allowable Dress

- Clothing must not threaten the health or safety of any other person, student, or staff member.
- For safety reasons, students will not be permitted to carry bags, backpacks, or purses during the school day. Access to lockers to retrieve necessary items will be permitted. Only students with documented health concerns will be permitted to carry a bag with needed medical items.
- Appropriateness of clothing will be determined by the principal or the principal's designee.

## Early Dismissal

**All early dismissals must be completed by 3:55 p.m. for the safety of all students.** We will no longer be able to dismiss students after this time, and no entry to the building will be permitted until 4:40 p.m. when dismissal of all students has been completed. Thank you for your cooperation as we follow this procedure.

Early dismissal is considered a loss of instructional time and affects attendance. However, if it is necessary for parents to pick up students during school hours, parents must report to the school office first to sign out students from school. Early pickups should be for emergencies or medical reasons only. Anyone picking up needs a photo ID.

Students are not allowed to leave the school premises with anyone other than a parent/guardian. In case of an emergency, be sure to list on the Enrollment Form the names of individuals who may pick up your child. They must provide photo ID. Please notify the office if there are restrictions on people allowed to pick up or to have direct contact with your child at school. Official documents from a court may be required.

## Emergency Off-Site Location

If it becomes necessary to evacuate and leave school grounds, the off-site emergency location is:

**South Louisville Community Center  
2911 Taylor Blvd.  
574-3206**

The following steps will be followed for dismissing students to individuals from the off-site emergency location:

1. The individual must be listed on dismissal or emergency forms.
2. The individual must provide a current picture identification at the time of dismissal.
3. The individual must sign for the student before the student is released.

## Emergency School Closing or Inclement Weather

If closing is authorized, announcements are made on local radio and television stations and through text, email, and Snap!Connect. Please download and join!

When severe weather creates hazardous conditions, the regular school schedule may be suspended to ensure students' safety. It is the parent's/guardian's responsibility to monitor news reports via television and radio stations. Students also may listen to television and radio stations for information concerning the closing of school. Local television and radio stations are notified as soon as possible.

A delayed schedule indicates that school is delayed for a specific amount of time. For example, if school is delayed for two hours, school begins at 11:40 a.m. The bus schedules also are delayed for the same amount of time. If your bus normally arrives at 9 a.m., the bus arrives at 11 a.m. if school is delayed for two hours. If you have questions about the delayed-opening schedule, please call the school.

Parents should make child-care arrangements in advance for inclement weather or emergencies that require early dismissal from school. Include on your child's Enrollment Form an emergency contact person's name and telephone number.

## Field Trips

Properly supervised and planned educational trips are important aspects of the instructional program. A **signed** permission form from a parent/guardian is required prior to the scheduled trip—verbal permission is not accepted. Parents volunteering to supervise students on field trips must have a JCPS School Volunteer Records Check Form on file. See the "Visitors/Volunteers" section for additional information. **Note:** Parents may be asked to accompany their child if there is a safety issue.

## Fire and Disaster Drills

During regular school hours, every precaution is taken to ensure the safety of your child. Fire and disaster drills are conducted throughout the year to ensure that students learn proper safety procedures and follow all safety guidelines.

## Grades/Progress Reports

Class participation, homework, class assignments, discussion, special projects, tests, portfolios, individual/group work, and attendance determine the grades students earn. Class assignments not completed during the school day may be completed at home and turned in the next school day. Unfinished class assignments may be assigned in addition to a daily homework assignment. We follow the JCPS *Student Progression and Promotion* handbook and the *Student Grading Framework*, which can be found on the JCPS website.

- Students receiving Exceptional Child Education (ECE) and English at a Second Language (ESL) services will receive progress reports at the same time as report cards.

## Homework

Frayser Elementary School believes that meaningful homework can be an effective instructional strategy that enables students to practice what they have learned. Meaningful homework helps establish independent study skills and promotes individual accountability. Meaningful homework assignments should reflect extensions of classroom learning and authentic opportunities for engaging deeper with content. Homework should never be given as a punishment.

When a teacher decides to assign homework, the teacher responsibilities are to:

- Develop and design meaningful and relevant homework assignments that directly reinforce concepts learned in class to provide additional instructional support to students, as needed.
- Regularly provide students with feedback on homework.
- Communicate clear and concise expectations to students.
- Make assignments rigorous to learning to ensure transition readiness.
- Ensure that all students have equitable access and opportunities to complete the homework and provide support for students to overcome barriers.

## Itinerant Instruction

Frayser Elementary has full-time itinerant teachers teaching library; Science, Technology, Engineering, the Arts, and Math (STEAM); and arts and humanities classes.

## Lost and Found

Lost-and-found items are stored in the lockers next to the principal's office. Please label your child's clothing and personal items. Anything left at the end of the year will be donated to charity.

## Make-Up Work

Excused absences provide students the opportunity to make up missed school work. Excused absences are those identified in the *JCPS Student Support and Behavior Intervention Handbook* and the *Student Bill of Rights*. Make-up work may be obtained upon returning to school provided the absence is excused and proper documentation is provided.

## Medication

In order for school personnel to administer any type of medicine to your child at school, we must have on file a signed affidavit giving us permission to do so. Medicine should be brought to the school office in its original container and must have the prescription label attached to it. Teachers are not allowed to administer any type of medication to students unless the students are on a field trip and the teacher has been trained through the JCBE process. Students are not allowed to keep any type of medication in their possession.

## Parent Teacher Association

The PTA is a vital part of our school program. We encourage you to support the PTA by becoming an active member. A successful school needs the services of an active PTA. The Membership Campaign begins in August.

## Telecommunication Devices

A student in the JCPS District may not use/activate and/or display a personal telecommunication device on school property during the course of the instructional day. *Personal telecommunication device* is defined in KRS 158.165 and includes, but is not limited to, cellular telephones, pagers, walkie-talkies, electronic mail devices, MP3 players, iPods, and video gaming systems. This offense will be treated as "failure to follow directives" under the

*JCPS Student Support and Behavior Intervention Handbook*. In addition, the telecommunication device, including the SIM card, battery, and all other parts of the device, will be confiscated by an administrator and will be returned at the end of the school day. Students are responsible for keeping up with devices they bring to school. The district and the school shall not be responsible for the loss, theft, or destruction of devices brought on school property.

## Tobacco—JCPS No Smoking Policy

### Dear JCPS Parent,

To ensure a healthy learning environment, the members of the Jefferson County Board of Education voted unanimously on November 26 to approve a new tobacco-free policy for the entire Jefferson County Public School (JCPS) District.

For many years, JCPS has had a policy that prohibits smoking and other forms of tobacco use by students. They are not allowed to even carry or possess tobacco products on district property or at school functions.

The new policy, which went into effect on Monday, July 1, 2013, will apply to everyone, including JCPS employees and parents. No one will be allowed to smoke cigarettes or use any other tobacco products on JCPS property or in district vehicles. The policy will be in effect 24 hours a day, 7 days a week.

This 100 percent tobacco-free policy will ensure that students aren't exposed to secondhand smoke, a leading trigger of asthma attacks (and asthma is one of the top reasons students miss school). The policy also will support health lessons taught in JCPS classrooms, and it will prepare students for workplaces with tobacco-free policies.

In addition, a comprehensive policy may help reduce the number of teens who smoke outside of school. Schools that have a tobacco-free policy have 40 percent fewer youth smokers than those that don't. The new JCPS policy may even reduce the number of Louisvillians who smoke in the future. Research shows that 90 percent of people who stay away from cigarettes before they turn 18 will not start smoking later in life.

The new policy also will ensure that all adults model a tobacco-free lifestyle on JCPS property. When students see adults smoking, they think it's okay for them to smoke too—no matter how often we tell them it's dangerous. The Kentucky Department for Public Health points out that "we cannot send mixed signals [by allowing adults to smoke] in our learning environments. In order to be effective, there must be no exceptions."

## Visitors/Volunteers

---

### **Safety is the number-one priority for students and staff.**

Frayser Elementary welcomes parents/guardians to participate in their child's education. Frayser Elementary also appreciates the help of parents/guardians and volunteers in our school.

In order to provide safety and to help students achieve at high levels by receiving the maximum instructional time, the following procedures are to be followed by all visitors, volunteers, parents, and guardians.

All visitors must provide photo identification and sign in at the front office of Frayser Elementary. Signing in must include writing the time, the date, the first and last name of the visitor, the name of the student the visitor is representing, and the purpose of the visit. The visitor receives a visitor tag that is to be worn on the left-hand side of the visitor's shirt or blouse at all times while they are in the building.

### **Volunteering**

If you are providing volunteer services for your child's teacher, please arrange the time with the teacher at least 24 hours in advance. All volunteers **must** complete a JCPS School Volunteer Records Check Form before volunteering begins. The form is available and may be turned in at the front office.

### **Lunchroom Visits**

A student shall only eat with their family members at the student's lunch table or at the designated visitors' table. State regulations require that any fast food purchased outside the school lunchroom may not be eaten in the cafeteria.

## Classroom Observations

A parent wishing to observe their child's classroom in an instructional setting shall make arrangements with the teacher at least 24 hours in advance. The teacher will coordinate the date and time of the classroom visit.

Class observation is limited to one class period of no more than 30 minutes. The visitor shall not interrupt classroom activities. Parent-teacher conferences must be scheduled separately.

**Exceptions:** The principal/designee, in consultation with the teacher, may review the appropriateness of a request to observe classroom activities. The principal/designee has the authority to deviate from the above guidelines to allow more frequent visits or to restrict or deny visits at any time that they perceive this decision to be in the best interest of the students in the classroom, the parent, or the teacher. The principal/designee has the authority to ask any visitor to leave school property if the principal/designee perceives that student safety is in jeopardy or that the school environment is being inappropriately disrupted.

**Any person who is on school grounds without permission is considered to be trespassing on school property.**

Inclement weather will alter the school calendar. For information about weather-related delays or closings, follow local media or check for announcements on the district's website, Twitter account, and Facebook page. Updated calendar information will be posted on the district's website and on the JCPS Google calendar, which is accessible on your mobile device.
