| Student Mastery of Standards<br>(50%)       | Projects & presentations  |

**\*Grades will be updated each Friday**

## **Make-up Work**

Students will be expected to make-up any missing assignments. The majority of classroom assignments can be accessed by logging on to Google Classroom.

## **Classroom Learning Management System (LMS)**

Students will be using Google Classroom to receive and submit most of their assignments in this class. Google Classroom can be accessed from anywhere as long as there is an Internet connection. Students can also post questions, comments or concerns on our Google Classroom page as long as posts are for educational purposes only.

## **Username/Passwords**

We will be accessing various websites in class that require a username & password. Students will be expected to use their JCPS username & password when creating accounts for our class.
